

SUNFLOWERS PRESCHOOL

November 2023 Newsletter

Gabby Bertoldi, Karen McBrine

Welcome to the Sunflowers!

At the very end of October, five new friends joined our classroom! Let's give a warm welcome to Chase, Manasa, Mayla, Amelia and Liam! We are so excited to have them in our class and make many fun memories together.

We also have welcomed two student teachers into our classroom. As many of you have met and seen, we have Ms. Xiaojing from UMASS Boston with us Mondays, Tuesdays, and Fridays. Additionally, we are welcoming Ms. Ella from Quincy High School on an alternating schedule. We are so excited to help them learn more about the field and our fabulous children!

New Gross Motor Programs

GQCC has started two new gross motor programs. We will have Ahead of the Game with Coach Evan every other Wednesday and Yoga with Francesca every other Friday!

- As it begins to get colder, please be mindful of the temperature and send your child with appropriate gear! We go outside twice a day as weather permits so please be prepared!
- Check those cubbies for all the special artwork and other important information you may need!
